

# The PFAS Health Study<sup>1</sup>

## Participant Consent Form

Complete and sign this form if you **AGREE** to take part in the PFAS Health Study Survey.  
You can say **NO** by not completing and not signing this form.

I, \_\_\_\_\_ give my consent to take part in the Study.

I have had the aims of this research project, how it will be conducted and my role in it explained to me.

I understand the risks involved as described in the Participant Information Sheet.

I am participating in this project on the understanding that:

- The information I provide will be kept confidential and not be used or released in any way that can identify me;
- I will have access to reports on the progress of the Study and to a copy of its final report, including paper copy if I request it; and
- I am free to withdraw from the study at any time by contacting the researchers in writing or by telephone.

Please indicate if you **are** or **are not** willing for the researchers to invite you to participate in future research into PFAS exposure. You do not have to agree to this.

I **agree** for the researchers to invite me to participate in future research into PFAS exposure **OR**

I **do not agree** for the researchers to invite me to participate in future research into PFAS exposure

<sup>1</sup> Official Project Title: The Per- and Polyfluoroalkyl Substances (PFAS) Health Study: Cross-sectional Survey and Blood Serum Study

**This is for you to keep**

**I have been given a copy of the participant information sheet and consent form to keep.**
