

7 March 2012 - Issue 1

## Funding news

### 2012 International Visiting Fellowships

Applications are now open for the 2012 International Visiting Fellowship program. This Fellowship program provides funding to eligible groups to bring international primary health care experts to Australia, for the purpose of contributing to Australia's health care research capacity and knowledge base as outlined in the Primary Health Care Research, Evaluation and Development Strategy.

## Forthcoming Events

### Public Lecture: Why does the UK keep investing in primary care? Is it really that effective?

Professor Martin Roland, Chair in Health Services Research at the University of Cambridge, will be giving a public lecture at the ANU tomorrow:

**Date:** Thursday 8 March 2012

**Time:** 2 - 3pm (light refreshments will be served after the lecture)

**Venue:** Weston Theatre, Crawford School of Economics and Government, Lennox Crossing, ANU (Grid reference A2 on the campus map)

This lecture is free and open to the public. RSVP: email [Mier.Chan@anu.edu.au](mailto:Mier.Chan@anu.edu.au) or call 6125 6803.

### Coordination and the Vulnerable Consumer Health Care Research Workshop

**Date:** Thursday 22 March 2012

**Time:** 9am to 4pm

**Venue:** The Australian National University

APHCRI is holding a workshop as part of the [Coordination and the Vulnerable Consumer Health Care](#) research stream. Six research teams are investigating the coordination and integration of primary health care services specifically tailored to the needs of vulnerable consumers, such as people with intellectual disabilities, Aboriginal Australians, and refugees. This workshop will provide the opportunity for key stakeholders and policy makers to hear the Chief Investigators speak about their project proposals, to discuss relevant issues with the researchers, and to comment on research directions. Limited places available. For more information: email [Mier.Chan@anu.edu.au](mailto:Mier.Chan@anu.edu.au) or call 6125 6803.

## Announcements

### Job opportunities at APHCRI

There are three current vacancies at the Australian Primary Health Care Research Institute:
